

Mission JC Indoor Project Ideas

We can't control the weather, but it won't prevent us from showing love to our community either! If your outdoor project has been impacted by rain, consider participating in an indoor project. Below are some ideas of ways to serve in the spirit of Mission JC. Check with your project leader to see if your project cannot continue. Some outdoor projects may be able to continue with rainwear if it is not lightning or hailing.

Write Notes and/or Color Pages for the Following:

- Teachers
- Emergency personnel (such as EMS, firefighters, police officers, etc.)
- Day care workers
- Health care workers (hospitals, nursing homes, medical offices, etc.)
- Service industry workers (such as wait staff, checkers)
- Another group that can be lifted up

More Ideas:

- Bake something for a neighbor and deliver it.
- Prayer walk your neighborhood.
- Go out to eat and pay for someone else's meal.
- Visit or call a relative or someone who made a difference in your life.
